

THE RAINIER CLUB

Dear members of the Tacoma Whisky Society,

On behalf of the Rainier Club's Single Malt Scotch Committee, it is my distinct honor to invite the Tacoma Whiskey Society to participate in our Burns Night celebration on Saturday, January 20, 2018. Although we will host the event, this will be a collaboration. I had the pleasure of meeting with several of your members this past week about how our respective memberships can work together on many of the key aspects of the evening. Planning is underway to ensure this happens.

We are excited about this invitation and take it seriously. Burns Night is the most important event we host each year, with several of our members putting significant effort into its planning. It is rare to find another organization that shares our passion for this event and we are enthusiastic about the partnership between our two organizations.

Finally, the theme is formal frivolity. It is white-tie attire, but we have been known to break out in song throughout the evening and spill into the club lounge and local bars following dinner. From what I hear, this is in line with your past Burns Nights.

More specific details about the event are below. I look forward to meeting you on January 20.

Sincerely,

Jeff DeGroot
Chair, Single Malt Scotch Committee
